

The screenshot shows a web browser window with the URL `w3schools.com/quiztest/quiztest.asp?qtest=GIT`. The browser's address bar and tabs are visible at the top. The page has a dark theme. On the left, there is a sidebar titled "W3Schools Quizzes" with a list of quiz categories including HOME, HTML, CSS, JavaScript, SQL, PYTHON, PHP, BOOTSTRAP, HOW TO, W3.CSS, JAVA, and JQUERY. The main content area displays the "Git Quiz" results. The title "Git Quiz" is in a large, light-colored font. Below it, the word "Result:" is followed by the score "25 of 25", the percentage "100%", and the text "Perfect!!!". The "Time Spent" is shown as "12:39". There are three buttons: "Check your answers" (green), "Try Again" (blue), and "Back to Quizzes" (green). Below the buttons, it says "Share your score:" followed by Facebook and Twitter social media icons. At the bottom right of the page, there is a "COLOR PICKER" link.
